In Criminal proceedings the Court may, if it thinks fit, direct repayment of any fees paid.

No fees are to be taken which would be payable by any public department: but in Criminal proceedings such fees shall nevertheless, where they would ordinarily be payable, be taken as paid for the purpose of assessing any costs which the Court shall direct to be paid; and in cases where if the defendant should be convicted, any prosecutor or informant would in the opinion of the Court be likely to obtain any part of the penalty or forfeiture, the Court may require the fees for service to be paid.

NOTE:—

- (a) In all cases the value of the property involved or the amount of damages claimed, must be stated in the writ of summons.

The value of land which is the subject of any proceedings shall not be taken at less than £50, except by direction of the Court. Where a writ of summons contains a claim for an injunction besides some other claim only half the fee which is payable on an injunction shall be taken. In all other cases where one summons contains more than one claim, separate fees are payable on each claim.

The same fees are payable on a counter-claim as if the claim had been made by summons.

Penalty for under-estimating the amount involved or value of property in question to be three times the fee payable on the full amount or value in addition to the fee already paid.

- (b) Where an officer serves or executes more than one document or writ on the same route, one mileage fee only is to be charged, and it is to be apportioned amongst the documents or writs.

Where the Sheriff or Registrar executes any duty in person by direction of the Court he is entitled instead of mileage fees, to his actual travelling expenses and such travelling allowance as the Court may direct.

The fees paid to the Sheriff and Bailiffs cover all such expenses as cost of paper, preparation and posting up and delivery of notices, hiring and ringing of bells and the like.

For the performance of any duty not expressly provided for, an officer may receive such fee as the Court may allow.

- (c) The parties or either of them may by leave of the Court provide their own interpreter.
(d) These fees, together with necessary travelling expenses, if any, shall be paid out of the Colonial Treasury to the persons entitled thereto.
(e) The travelling expenses of witnesses in all civil and criminal causes and at inquests shall be allowed according to the sums reasonably and actually paid.

An officer in the public service when summoned as a witness, except when summoned by the Crown, is allowed costs and travelling expenses as if he were not in the public service.

Where a witness actually attends for less than one hour, he may be allowed only half costs if the Court thinks fit.
